- 361a-jc Werner Degener Instructional Automobile Model - Models such as these were used to demonstrate the mechanical functions of automobiles to learning drivers. Made in Germany by the Werner Degener Lehrmittel GmbH, Hanover, Hindenburgstr.40. The piece is marked Hohm - Modelle, license H-D61, Due to the electrical connection being European, it is untest. It is mounted on a box display platform (that has some damage) which house the controls for operating on the front panel. Measures 42" long x 14-1/2" x 15".

- 361b-jc Fantastic Large Carved Wooden California Condor - The wing span of this wonderful example stretches 10 feet. The carved wings are attached with brackets similar to bed rail fittings that securely hold and nearly make the connection invisible. The pieces was said to have hung in the lobby of a hotel. The carved body, feathers head and talons are all hand carved and painted. The talons all intact appear to have been reglued at one time. The main body measures 53" from the beak to the tailfeathers by 14" wide across the body. Each wing (before being attached) measures 53" x 12". It is a spectacular piece. Normal wear and age.

- 361m Unusual Monarch Phonograph by Eldridge R. Johnson -

Due to the present situation dealing with the Covid-19 Virus, we will be offering **onsite participation** (as usual) at the auction in accordance with the present mandates, as well as **online bidding, phone bidding** and **pre-sale left bids** that we will execute for the buyer competitively.

ADDITIONS TO THE CATALOG – In addition to the items listed in the catalog we will be selling over 100 lots of Nipper Collectibles from a private collection. We will also be selling parts from the Loyd Davis Estate at the end of Friday's cataloged session which includes over 100 boxes of parts that have not been opened for years and probably decades. Make sure you attend to take advantage of these uncatalogued offerings

BIDDING PROCEDURES, CHANGES IN TERMS AND CONDITIONS

1. The buyer's premium to all attending the auction will remain at 10% as usual.
a. Cash or personal check with proper identification
b. Credit cards are accepted with a 3% handling fee
c. Sales tax will be charged to all bidders unless you are reselling the items, in this case, please provide Stanton's with a current sales tax exemption license. If a copy is not provided sales tax will be charged. The only other exemption to sales tax being charged is if an item is shipped to the purchaser, at an out-of-state location, by a Third-Party Shipper.

2. **PHONE BIDDING:** The buyer's premium charged to all individuals participating by phone or left bids will be 10%. Phone bids are accepted on items valued of at least \$300.00. Email your phone bid list (lot number and short description) to stantonsauctions@sbcglobal.net, Steve Stanton, stevenEstanton@gmail.com, or Michael C. Bleisch, mcbleich@gmail.com by noon **Tuesday, April 13, 2021**. Include your name, full address, primary phone number, a backup/secondary phone number and email address. You will receive an email or phone call to confirm receipt of your phone bids. Stanton's execute your bid just as if you were in the crowd bidding for yourself. The item will be purchased for you at the

most competitive amount. Depending on the bidding activity, you may be able to buy the piece for less than the amount of your bid. If two people bid the same amount, the first bid received at that figure will be the purchaser. No bid will be executed if an item is found to be damaged or incorrectly described. The auctioneers may not be held liable for late received, missed and/or non-executed bids. No phone bids will be accepted on sale day.

3. **ONLINE BIDDING:** Available at LiveAuctioneers.com. Be sure to register 48 hours in advance to be approved as a bidder for the auction. All Online terms and conditions apply. The buyer's premium charged to all individuals purchasing through the LiveAuctioneers online format will be 23%.

4. **CONDITION** – All items are being sold in as-is where-is condition, with no expressed or implied warranty of any kind. All descriptions and information (posted in the catalog and with the online venue "LiveAuctioneers") are offered only as a guideline and is not supplied as a warranty of the item being sold. Stanton's will be glad to do an inspection of the items that you have an interest in bidding on, however, that inspection is only our opinion, and it does not imply a warranty or change the fact that all items are being sold in as-is condition. Final determination of the condition, and other factors regarding the items being sold, is left to the buyer. All sales are final.

5. OTHER PERTINENT INFORMATION –

a. Everyone in attendance must register for a buyer's number.
b. Once the item is sold, it is the responsibility of the buyer.
c. Full payment for all purchases is required at the end of each day of selling, before you leave the grounds.
d. Regarding items being sold, make sure you examine the pieces prior to bidding on the same. Do not bid unless you are ready to be the owner of the same. Everything sells in as-is, where-is condition.

e. Any announcements regarding the items being sold will take precedence over printed material. Any statements, whether printed oral, prior to the day of the sale, or on the auction day regarding damage are being made to inform all buyer's that all pieces are being sold "as is, where is" with no warranty of any kind.

f. You, as the buyer, hereby agree to hold the Seller, and Auctioneer's harmless and agree to indemnify them from any future claim, which shall pertain to the fitness or use of the assets being purchased or the loss of the same.

6. **SHIPPING** – Stanton's Auctioneers does not provide packing and shipping services. We do have a list of recommended third party shippers to assist you in shipping to and from the auction. We have found that our clients have had very good relationship with Pak Mail located at 30 E. Columbia Avenue, Ste. F-1, Battle Creek, Michigan 49015. Their phone number is (269) 660-1985, Fax (269) 660-1987, Email – ship@pakmailbc.com, Website – www.pakmailbc.com. The contact persons at Pak Mail is David Smoot (owner), and Heather for information and quotes. Other shipping firms are available in the nearby and surrounding area to the sale site. All shipping costs will be charged to the buyer.

7. **POST-SALE PICKUP** – Will be available on Monday, Tuesday & Wednesday, April 19, 20, & 21 from 9:00 A.M. – 12:00 Noon each day.

Thank you to everyone for working with us in the liquidations of these fine collections in a difficult time. This auction represents many fine collections that have been assembled by their owners after years and decades of pursuing the items that they have enjoyed so much. We hope that everyone plans on participating in this excellent upcoming event, making note that the sale warrants in person and onsite attendance.
